The BBCC is a non profit organization, totally managed by volunteers in co-operation with a staff of professionally qualified coaches. A four-season program of on-water training, dry land fitness and regatta participation is provided. Canoe and kayak racing takes place at all levels of competition:

### **Club—Regional— Provincial— National**

Programs are designed to develop both physical and mental strengths while encouraging team and club spirit.

The Club runs a children's summer camp where young people have an opportunity to experience paddling... many for the first time. We strive to keep fees to a minimum, so costs are not a barrier to anyone wishing to participate.

The Club's goal is to provide a safe and enjoyable, recreational and/or competitive environment for members of all ages (8-80) and abilities. No previous paddling experience is necessary and the Club supplies all equipment.

**The Balmy Beach Canoe Club  
celebrates 107 years of service!**
