

Counsellors have been carefully selected for prior experience with children, training in first aid, CPR, safety, program development, individual sports skills and enthusiasm.

A cellular phone is on site at all times.

The counsellor to participant ratio is excellent – one counsellor for every seven participants or less with up to 50 campers enrolled each week.

The  
**BBCC Summer  
 Sports Camp** is the  
 ideal solution for boys and  
 girls aged 8-12 who need  
 supervised activities when  
 the school year ends.

**CAMP CONCEPT**

The Balmy Beach Canoe Club is offering a fun, dynamic, high energy, multi-sports and co-operative games day camp. Your child will participate in a wide variety of sports and games. Instructional and non-instructional, canoe, kayak, soccer, lawn bowling, swimming, crafts, capture-the flag, theme days, and much more. Program will vary from week to week.

**WHAT IS canoe kids?**

canoe kids is a skills development program designed to introduce the sport of sprint canoe and kayak.

Qualified coaches deliver this program two times each week with the assistance of our own camp staff to ensure safety, operation of motorized boats and personal attention.

**This program offers:**

Basic skills in:

- canoe and kayak, safety rules, balance, technique, control

Minimum Red Cross Swim Level 6 required (or equivalent).

All participants must wear a life-jacket (provided by the camp).

- program planning/implementation
- resume/cover letter
- staff mentoring
- Certificate of Completion
- Registration form on-line

## A TYPICAL WEEK

Each day will start out at the Balmy Beach Club (foot of Beech Avenue, south of Queen on the boardwalk), where everyone will meet and attendance will be taken.

Each week we go “Paddling” (canoe/kayak) two times at Ashbridges Bay and swim at the Olympic Pool. The game, “Capture-the-Flag” is a must! The creativity of the counsellors is exemplified in the many themes and games they design and plan week to week throughout the summer. Our program is balanced between high, medium and low energy level activities both structured and non-structured. **Campers bring a bike as a method of transportation between locations.**
